

We are now accepting applications for the 2019 BFTI Summer Seminar at Purdue University

The purpose of this program is to foster relationships among young Europeans and Americans to build strong linkages and an awareness of shared values. The four-week program enables participants to explore U.S. foreign policy priorities such as youth engagement, support for democracy and civil society, and economic prosperity.

If you are between 16 and 18 years of age, we encourage you to submit an application. See below the testimonials of three Spanish grantees who enjoyed the 2013, 2014 and 2015 BFTIs which took place those years also at Purdue University.

To apply, please check the Call for Applications to the 2019 Benjamin Franklin Summer Institute [here](#). Deadline for receiving applications is **Sunday, January 13, 2019**.
